Dearest Keith, Our sincerest and heartfelt condolences to you and your family in Glenda's passing. She was an inspiring wealth of wisdom & love to anyone she met. It is with great sadness a family lost a mother & grandmother. The hobby she, your dad and we know you enjoyed as a family has also lost a mother & friend. Her smile, her personality, her kindred spirit is greatly missed and will be forever more. Please don't be a stranger. If any of your Hard Rock family can be, we will be there for you, always. Much love, Michelle & Jim Hulin

Dear Brad, Allow me to extend my deepest condolences on the loss of your mother. Losing a parent is one of the biggest losses that can be suffered by anyone. May you find God's presence with you as you journey through the time of grief. Your mother always spoke about you with utmost love and affection. You meant the world to her. She was truly a splendid woman and will be deeply missed. My heartfelt sympathies to you and your family. I am really sorry for your loss. I know how close you were to your mother and the deep influence she had on you. I had the blessed opportunity of knowing your mother and I know heaven just received one of its most special angels. You are a reflection of your mother in the way you treat people with respect and empathy, not to mention the way you make each person feel loved. I am so sorry for your loss. I will always remember the warmth and kindness your parents extended to me. So sorry.
