Dear Sonny - how can I fill the void you and I would spend together when you would stop over to see me here at the Legends. You are terribly missed and always will be. So sorry you had to leave this world in the condition you did when you always were the highlight of my week. Heartbreaking to watch your life end in this manner. I will continue to miss our games of Fill or Bust when you stopped in. No one can fill the space you filled and the stories we shared when you were here. I know you're not suffering anymore for that am thankful. I will always LOVE YOU Sonny and miss the times we shared together. Please know what is waiting at HIS resurrection - what a wonderful time that will be - a whole new life in a new body. Till then I will wait to see you once again. LOVE ALWAYS - Marlene
