Ed, Jerry, Doug, Christine, Janet, Barb, and all of the family/friends. I am thinking of you as you begin saying your final goodbyes here tonight and tomorrow. I wish I could be with you. I am greatly saddened by your loss, and our loss of a dear and special friend. We all grew up together and all of us hurt with you. I know she had a struggle the last few years with illness, and she was so gracious in spite of that illness. She was truly an angel. We will miss her deeply. Betty
