Marge was a special person for me. I worked for her in Surgery at Alliance Community for 27 years. She was a good boss and nurse. And as a friend she helped me through some difficult times. We did not always agree but we were able to listen to and accept the other. She was very knowledgeable about the surgery department in Alliance and ran a tight ship. I enjoyed working with her and having her as a friend. So sorry to see she is gone. She will be missed by many.

Marge Egan touched the lives of many, many people in her life but most especially her family. She did not have children of her own but shared the lives of so many of her nieces and nephews. I believe in the beauty of God's world where she most definitely is now with her parents and siblings and many other friends/family--that is all that consoles me. I will miss you Aunt Marge but will try to be as brave as you have been these past 8 months. Your example, your strength, your courage your dignity and your beautiful spirit are all things that I will strive to mirror. I may stumble and shed painful tears and feel as though my heart is broken but I will think of you and straighten my back and put a smile on my face. Thank you for all that you have been to me. Happy Birthday and all my love, Carol
