I was so sad to hear about your Mother,She was loved by all who knew her and i am blessed to have known her for almost 40 years.I remember meeting her and you father at the home mission church and they both took me under their wing,i would sometimes go home with them and Joyce,Charlie,and Debbie after Sunday services.I will always have loving memories of mom Rowe,as she was not only a mother to her children but to others as well.My fondest memory is when i got married,Joyce was my maid of honor,that was 33 years ago, i had to go show mom and pop Rowe my wedding dress so we left our reception to go see them.you never know what you have untill its to late,and i thank god for the little church where i first met mom rowe.She will be missed by all.you are all in my prayers

I am quite sadden to read this news. She was such a fine lady, who was best described as Mom. That is above all what she was and how she lived her life. Out of my complete respect for her, I also called her Mom when ever I saw or visited her. I am sure there is a special place in heaven for her. I kind of lost contact with all of you people since I relocated to Tennessee. But I think of all of you guys a lot; the ball teams, the hunting we did, great times; but above all I remember the special friendships we shared. My sincere condolences to every one.
