I will miss you greatly old friend. I am glad that your suffering is over and you can rest peacefully now. Know that you will always be remembered fondly. Clara, this is a sad time, but please know that you have many friends who will help you through it. I wouldn't be surprised if Dan and Ed weren't re-hashing old times together, I know they thought a lot of each other. As your friend, I will be here whenever you need me, just give a call. Love to you all.
