I can't believe it's almost been 10 years since you've been gone.. I always think about how life would be if you were here today. It's been hard without you, knowing I have someone looking out for me all the time is comforting but will never take away the pain I feel every single day. I'd do anything to feel one of your big bear hugs! Please continue to give me strength and guide me in the right direction. I miss you so much. Thankyou for being the best dad to Logan and I.

MY fondest memories of Turtle was back in the day! The toughest guy in town yet a softie with a really big heart. I like to remember him dancing the most, he was good! he loved to cook food and watch you eat it. Blackened prime rib was my favorite! HE had so many friends who loved him, he was special. Good-hearted, kind and generous. He did'nt deserve the suffering he has endured. May he rest in peace. He will always be remembered. With deepest sympathy to his family. Esther
