Kelly, Dan and Family I have no clue as to the pain you must be feeling at this point but she was a gift like we all are and for whatever reason it was her time to go home. Know that you and your whole family are in my thoughts and prayers. If there is anything I can do to ease the pain please let me know. Take care and know there is one more angel in heaven

At a time like this it is so hard to cope with the loss of a child. I hope the promise of our Lord and Savior Jesus that he will soon bring our dead loved ones back to life under better conditions than we see today. He has also promised that very soon he will remove all pain, sickness, and death. (John 5:28,29 and Revelation 21:4) I hope this will bring you comfort and hope.
