I just learned of Betty's passing from my Mom and Dad and want to express my sincere sympathy. I always look back with fond memories of her and the family as they were great neighbors and friends. I know it may sound silly but one of the most cherished memories of her, were the fried eggs she always seemed to have time to fix for me.

I am so sorry to hear about Betty's passing, you were all great neighbors when on Homeworth Rd. I know you'll miss her so very much. I remember how very kind she was to me when growing up and I came over to play and see Vicki. It was a great neighborhood we grew up in. May the Lord be with you all at this time and know you're in my thoughts and prayers. May God Bless You All. Irene
