I graduated with Dick from AHS in 1961, and hadn't seen him since, but I remember him as a really nice fellow, and I send my deepest regards to his family.

To the family, please accept my condolences on the passing of Amos, as we called him. I know he was your beloved family member and he was a pool buddy and former team-mate of mine in Chicago. Amos could always be counted on to play, to teach or to just be there as a friend. He is missed. Sincerely, Mary

I will very much miss Rick's booming voice and his tireless efforts to help others with their pool game. He was always the first to provide desired thoughtful feedback. I do have to confess that I never told Rick a story he could not trump with a better one which always made a visit with him something special. He has a host of friends in the Chicago area who are made sad by his passing. I will miss him very much.
