Lori, you were taken from us much too soon. Knowing your in your mother's arms and rejoicing with her is making this loss much easier. Remembering your joyful spirit during the Easter and Christmas family parties we had and all your siblings and cousins playing and horsing around was so much fun. I just love the smile that is always on your face when you are with Aydin. So many of us are going to miss you but we need to celebrate your entering heaven and your heavenly family their to greet you. I know you will be watching over your daughters and their families as well as your father and siblings. Dear sweet Lori you will be truly missed. Your Aunt and Godmother Mary Ann
