Carol and Donald, I am so sorry about the loss of your beautiful mother. Your family was a significant part of my growing up in Alliance. Picnics at your house, playing games upstairs in Carol's special room, Transue & Williams shop picnics at Meyers Lake and Idora Park, First Immanuel church functions --- the memories come flooding back! And Buff --- he was a great dog! Shirley was one of the nicest people I ever knew. I remember her sewing ability was unsurpassed. I pray you are comforted by so many wonderful memories. It was an honor and a blessing to have known your mom. Beth Baugh Morris

Carol and Donald, Please accept my sincere prayers and condolences at the news of your mother's passing. Mrs. Bingham will always hold a special place in my heart. When I came to your house as a young girl, she would bring warmth and comfort to every situation. Her love and care of your family was evident and she was kind to even let the "neighbor" share in that abundance of kindness. And as an adult, she also reached out when my mother was ill and when Mom passed. She came over to the house and sat with me and showed such acceptance of my situation with deep Christian care. Heaven has received an angel, Shirley Bingham. Stephanie Duchon Leonardos

Thanks, Stephanie, for your wonderful re-collections of mom. We are so glad she could provide such comfort to you and your family in your time of need - she was doing that for others at her retirement home up until her final day on earth. She will be missed, but we know she is with God.
