I haven't been in Alliance for years but I remember when I was young my aunt bringing Rosalie to our house with her. She was always such a nice friendly person. I am sorry for your loss

You will be missed. You were an amazing woman who has seen so much in your life. You were like a grandma to me and my boys. You treated us like one of your own. Thank you for everything you have done for us. I loved sitting on the porch and listening to your stories. Charlie just loved you. We know you are up there watching over us. We love and miss you.

Was the sweetest most caring woman! She adopted my little brother as one of her own. She made him feel loved when he lost his grandma and told him that he can call her grandma! You will be missed by many!! Much love Leartha Richards and Logan Richards.
