So saddened to hear of Connie's passing. She was so much fun to work with at the Hoover Company and will be forever missed by her Hoover family. One thing I knew for sure, Connie LOVED her daughter and grandchildren. Connie was a beautiful person on the inside and out. If you knew her, she always took great pride in looking her best all the time and that she did! I know she's at peace now and is walking the streets of GOLD in Heaven. She surely earned her wings down here on earth over the past years and I was always saddened after leaving a visit with her at the Laurels because I know she would rather of been anywhere else but there. She LOVED to shop and every time I went to Value City back in the day in Alliance, guess who I usually ran into.....Connie!!! Rest in eternal peace my friend until we meet again!!!
