I met Jay when during my first job at AllianceWall Corp back in 1978. I was 18 years old then and I remember his smile. He was a happy person.. loads of fun. When the company was ready to move to Georgia I took his picture... it's funny, I came across that photo of Jay only a few weeks ago. I had forgotten I had it. I think he used to smoke a cigar? Anyway, my condolences to you and to your family. Rest in Peace, dear Jay. Laurie (Stuller) Troyer.
