Cheryl and family, I am so very sorry for the loss of your beautiful mother. She was such a lovely person in every way. A true inspiration for us all. Your mom always made me feel like one of the kids when I was there. I hope and pray that God will ease the pain you must be feeling.

Oh "grandma" you will be forever missed. I am a living testament to how she was a prayer warrior for woman wanting babies. Although, in this case I am not sure it was my mom but my older sister wanting a baby sister. Love you "grandma". You always will hold a special place in my heart.

(I just found out my Aunt Phyllis who was my Dad's sister passed away. I have many fond memories of her as a kid, as I never got to see her much as an adult. I remember her as a little kid like 4 going to Florida the only time I ever been there and playing in the white sand and swimming in the Ocean and playing with my cousins. I remember going down there in a VW Bus. Grandma Florida was there and Grandpa Horace. She was a Stemple and I remember going with them to Stemple Ridge in West Virginia. My favorite memory is when she lived in Newcomerstown Ohio and we went to see her, and she let me beat out on her piano, and she gave us my most favorite cat Freddie a Siamese Cat that bore her husbands name. I loved that cat so much. She and her husband adopted dissadvantaged kids. And locally her husband Fred was a preacher at First Assembly of God Church in Conneaut. I loved her.
