My deepest sympathy to the family of Helen, especially to Jake. Always by her side, you loved her so much. She never complained about her dialysis treatment, but we know she sure would rather have been doing anything else. What a kind and considerate woman. Miss you Helen. Barb and staff at CDC.

Oh Helen, what fun we had. I will never forget the time at the stop sign when we were following Bob & Ernie, and we both started yelling, They are NOT seeing that sign, only the old rusty machinery setting along side the road. Sure enough, they never saw the sign, just blew right thru it. We laughed so hard we cried. I will miss you my friend. Now you, Bob, and Ernie are together again. Love, Joyce

She was my crazy, funny, loving, caring Aunt that I'll never forget! She'll always hold a piece of my heart. I spent many weeks/weekends with her as a young child. I have so many funny stories/memories that I'll never forget. I can smile through my tears as I remember all those times. Her favorite story about me was over hot dogs and me getting sick. I've heard her tell it a thousand times and wish I could hear it just once more. I love you with all my heart and it broke the day you passed! My sincerest condolences to my cousin Bobby and to Jake! Also to all the other family members & her close friends! This world lost one of the strongest women I've ever known. Heaven gained a special Angel! Rest In Peace! Give Uncle Bob a big ole hug from me and my Dad!!Your loving niece Karen Callahan
