My deepest condolences to the family and all the friends of this dear and special person. Inez was a very gentle and kind soul and I am grateful for the times I spent with her. Her laugh was infectious and she always had a story to tell. She loved her family and they were her world. I am grateful to have known her and she will always be remembered by those that knew her and loved her.

Carl thank you so much! She loved her job and the people she worked with. We are keeping Inez's memory alive. There is not a day I don't think about her. When I make soup, family dinners, washing dishes, at night when she would say Nighty night, when I go to the Elks etc...
