To "Aunt Edie", children, and grandchildren, and extended family - Our deepest sympathy over the loss of "Uncle Ray", which is what our kids have always called him. He made such an impact on our family, just by his steady example. When you are raising kids, it sure helps to have adults in their lives who share your Christian values. He was that to us. As they say, earth's loss is heaven's gain. We are praying for each one of you.
