I knew Larry almost all of my life. His father Ron and my father graduated from Deerfield Highschool together and remained friends. One of the many memories of time spent with Larry was our family's picnics together on Memorial Days at Myers Lake. In my mind I still see us at the pavilion there having a picnic. Then I went through school and graduated with him 55 years ago. My condolences to all the family. In sympathy, Diana (Detchon) Teeters

Met "Uncle" Larry virtually on this geeky video game years ago. Was fortunate to meet in person on several occasions but the first time he posed as a UPS delivery guy! Always humorous, laughter, full of life, and loved his real and extended family fiercely. Made some amazing omelets too! Honored to have called him friend and he will be missed!

I met Larry and Carol when my husband Karl and I visited my Sis and Brother (Ruby and Bob Hinga) in Alliance, Ohio many many years ago. I really got to know them after I had lost my husband and attended Jeff and Monica Hinga's wedding several years later. Larry and Carol just took me under their wing as the odd man out transporting me from event to event. I will forever remember that kindness. Love You and Pray for your family through this difficult time. Carole Rummel
