My deep condolences to the Rodi and Felice family on the loss of your mother and grandmother. My memories of your mom are of a smiling, happy woman always on the go . As teenagers she would make us pizza at midnight on Fridays. Her heart was a generous, loving and genuine. One memory I will always cherish is of her walking to the park with a bunch of little boys following behind like little ducklings. Thank God for the gift of Margaret Rodi touching our lives. Much love from the Barany family.

For my Most Wonderful Aunt Margaret: No need to lift the veil of life and watch the spirit flow, for pure peace reigns beyond. This we believe is our reward for carrying the weight that all the hurt of being alive has spawned. No more unruly depth of pain suffering each day's regress. No call to become weak or tough. No win or lose or need to choose a path that's right or wrong being in pure peace – that is enough. Mike and Priscilla Oates
