I loved that Mary Ann, Margarets daughter, brought Margaret with her when Mary Ann's high school friends got together. I felt like Margaret was one of the girls. I never felt an age difference. I loved her sweet smile. That's what I remember the most. The sweet smile always on her face and her gentle personality. Margaret I will miss you so much on our friends get together nights. Love you as my friend, Leila (Kress) Nemet.

I have many memories of my Aunt Margaret when I was a child but what I remember most was her ability to tell some very good jokes! You never quite knew where she was going with them. She was a pretty remarkable lady and I wish that I could have spent more time with her in her later years. Rest In Peace. Donna and Tom Range

Such a beautiful, caring soul. I never knew her without a brilliant smile on her face! Sadly missed but feel comforted by her dancing with the angels now.
