I met Donna at Hart Appartments . We live down the hall from her. She was a quiet person and very private about herself. She and I became very good friends. We used to go out to dinner on our paydays. I would take her to the bank then to Heggies in Alliance (so she could buy 2 lbs of chocolate every month). Then I would take her to Giant Eagle so she could buy her groceries for the month. She was a very sweet lady, I will remember her always. Loved her dearly. Her friend, Gerald Eddy

I am so very sad to hear that Donna passed away. She was such a nice, sweet lady. I always enjoyed visiting her, before and after she moved to Assisted Living. I also enjoyed exchanging cards and letters with her. We had a very nice time whenever we went out to lunch or dinner. I enjoyed going to the Butterfly garden with her. I will miss her.

I met Donna back in the 80s when she was living in the Hart Apartments in Alliance - as was my mother, Erla Amos. Donna and my mother were good friends and while Donna had a car she frequently drove my mother around to various activities in Alliance. When I and family members visited my mother we liked to take Donna out to dinner and exchange the news. After my mother died in 2003, we maintained contact with Donna. We exchanged many cards and letters over the years. She had an amazing collection of stuffed animals, that occupied more than their fair share of her small apartment. Donna was a very pleasant, unassuming person with a wry sense of humor, who rarely complained about anything. She spoke highly of Copeland Oaks and greatly appreciated staff members and all the care and services she received there. I know that I and her other friends will miss her.
