Dear Peggy and Sons, so so sorry to learn of Andy's passing. He was an amazing person and such a wonderful sense of humor. Keeping you all in my prayers. I always think of him during Lent, he brought me fish sandwiches from "Pinky's" various times over the years when I worked for Dr.Kuentz 🙏 He's finally at Peace and no more illnesses or pain. Rest In Peace my Dear Friend.

My name is Richard Fernandez for those who do not know me. Andy and I started with a rug we shared in kindergarten little did we know our friendship would last a lifetime. Through elementary school and through high school skipping classes in the roadrunner smoking the tires often to stay away from the coyote or the cops. Working at the tube side by side loading trucks mostly but we were on the 8k cutoff for a while. Everyday was an adventure and a story to be told (I got a buddy) from riding our Harley to working on tractors. Being as big as he was I always looked up to him. Once he was in the hospital in intensive care and only family was aloud in so I told them I was his twin bother and walked in to see him. The story's are endless . It was an honor to travel this road of life with him. Will miss him greatly.

It broke my heart to hear of Andy's passing, I am so sorry. We sadly didn't stay in contact after high school, but from kindergarten through our Marlinton years we spent a whole lot of time together. From Beechwood to Burton avenue to Sun Valley and beyond, I will always keep great memories of the fun we had with sleep overs, catching the bus every morning, exploring all the mysterious rooms and out buildings at Sun Valley, Faverty's woods, cruising in the Road Runner and so much more. I loved Andy dearly as I know you all do. Please allow me to give you all of my most heartfelt condolences and love at this sad time. God bless Andy and all his family and many friends.

I will always remember Andy as the friendliest and most welcoming man I ever knew. He was always happy to talk on the phone, welcome you into his home and host a great party whether in his basement or in his great "man garage". Even when you knew he didn't feel well, he always was able to make you feel very special. He was the man who would do whatever he could to help you however he could. At times like this, I feel very badly that I never expressed enough thanks or concern for him. I am sorry for the loss his entire family feels at this time. Nothing really helps but please know how much we loved Andy and thank you for making him a part of our family. Our thoughts, prayers and love go to you Peggy.
