Karan and I knew Lola for maybe the last 7 - 8 years. We were friends with her daughters, Fran, Linda, Gloria and Diana. We always enjoyed socializing with Lola during her birthdays and other family get togethers. A couple of our fondest memories however were boating with Lola to a couple riverside restaurants. We will share a few photos and maybe a video showing Lola living it up on the dance floor . . .and that's when she was maybe 103 years young! Keith & Karan Piercy, Apollo Beach

Mrs. Searles was my 4th grade teacher at Sebring McKinley. My given name is Cynthia and she was kind enough to ask me what my family called me. From then on, I've been Cindy. She was a special woman. My heart goes out to her family during this difficult time.

Lola, as she was known to us, was definitely one of a kind. We all have fond memories of her birthday celebrations where she could be heard singing Happy birthday to me! 🎵 and getting up to dance with us all! And we've loved watching all four sisters lovingly care for her over the years and up until the end. But it's not the end as we know Lola will continue to watch over you ... just from a different perch! Love you all, Donna & Paul

My prayers are holding you close to my heart. Be comforted by your memories. There is no one in the world like your mother. She was so much fun to be around and everyone loved her. Your mother will be greatly missed. She was a gem. Moms are special people, especially ones like yours. Good mothers hold a special place in their hearts for their children and most children hold a special place in their hearts for their mothers. Please accept my condolences for the loss of your mother. Love, Martha & John

Mrs. Searles was my 4th grade teacher, many moons ago. A couple of my memories that I have, is when she brought in a squid, cooked it and had the students taste it. The another memory was how kind she was to me when I fractured my arm. She was interested in knowing how I fractured it and making sure I was okay. The last time I saw her was when she was a resident where my mother was living. It was so nice to see her and how well she was doing. I believe she was 104 yr old then. Mrs. Searles will be missed. My condolences to her family. Mrs. Searles was a wonderful person.

I had Mrs. Searles as a teacher at B.L. Miller. Class of 1984. Someone had recently shared her interview from her 108th birthday, brought back a lot of memories, mainly having erasers thrown at you, lol. She was a sweet person with her own way of getting through to you. R.I.P. my friend.
