Mom, you are in a special place back together with dad now, like you spent on this earth married for 64 years. Carla and I could have not went through life with a sweeter, kinder or gentler mother than you were to us, even through the last couple years, losing dad, moving to a new home, etc. I hope we provided you with the comfort you so deserved, after carrying for us for many years. When I was a teenager, I know I wasn't the easiest child to handle but you gave me the leeway to learn and grow, even though I knew your concerns and worries of me hanging out at all those rock concerts, etc. Mom I love you and will miss you forever. Your loving son, David

Just a soft spoken Wonderful woman who said little at times but always warmed your heart. A person that set an example of how to live your life. She meant a lot to me as a Friend and she will meet God warmly as she is received into His warm arms
