I had the pleasure of working with Peggy when she was the housekeeper in the residence hall where I served as the resident director. She was wonderful—caring, dependable, and always looking out for both the building and the students who lived there. When my first son was born, she even gave me a little toddler sled. That simple, thoughtful gift summed up who she was: kind, generous, and full of heart.

Aunt Peggy always treated me like one of her own. She welcomed me like family from the first time I met her and never said goodbye without a "love you sweetie". Her love of Elvis, teddy bears, and Santa Claus were legendary. Mike and I will both miss her. I remember a Molnar family picnic when she brought her famous deviled eggs. She wanted to bring plenty, but kind of forgot that each egg made two! There were definitely more than plenty of delicious eggs that day. ❤️ Much love, Cheryl

Peggy was a great lady. I loved working with her. She would always make a mess with her califlower at break. Thing is the lobby was was already clean. She did clean up after herself. She will be missed.

My best friend, you will always be in my heart. We always supported each other, we laughed and cried together. We had soooo much fun! We met at work in the 80's and were instantly bonded. We made cleaning fun! We took many shopping trips and really did shop till we dropped! We looked forward to having many lunch dates and enjoying our dessert first. Always remembering our many trips to Hershey pa and sharing our love for chocolate. Until we see each other again....Love you my BFF
