Dee and I were friends beginning with our grade school years at Maple Ridge elementary. We also graduated in the same class from West Branch H. S. We grew up not far from each other and I have many fond memories: riding her horse, Stormy, playing the latest records, visiting her older sister, niece, and nephew, playing badminton, and hanging out at the playground of Maple Ridge elementary next to her house. It was very sad to read of her passing. Condolences and prayers to her family. Wendy Galpin Lehman
