“ Buck walked down the alley by my house to visit his Aunt Mary Brown. Would wave and say hello to him. Knew Francis and Ike Ritchie and know Bill Ritchie. My prayers to the Zumbar and Ritchie families.

“ We met Buck when he would come to Texas to visit his son Bryan.. really enjoyed getting to know him. They would come over to our house to play cards or dominos. I also remember him sitting in our garage visiting as my husband, Gene, worked on building bee hives. Will miss his visits but will always have fond memories. May Irene and all the family find comfort in their memories of Buck. Nancy & Gene Cushion
